

EasyLED Wilmington Small LED Post Top Luminaire

WM12

PRODUCT OVERVIEW

The Wilmington Small EasyLED Post Top luminaire combines contemporary aesthetics and installer-friendly features for area and walkway lighting projects. The IP66 sealed LED light engine offers excellent optical control and heat dissipation for long life. Open frame full cutoff optics control glare. The historically inspired traditional form uses smooth sweeping arms with articulated base fitter and provides delivered lumens exceeding typical 100W MH fixtures. The Wilmington is perfect for multi-family residential projects, retail centers, town centers, and institutional projects.
