

EasyLED Wilmington Bollard WMB12Q

PRODUCT OVERVIEW

The architecturally styled Wilmington Bollard provides pedestrian and landscape area lighting as a part of the Wilmington Family of luminaires. The Type III, IV, and V, IP66 sealed optics offer excellently controlled full cutoff uniform lighting making it ideal for a wide range of applications including parking areas, walkways, landscape accents and pedestrian plazas.

The durable die-cast aluminum housing with extruded aluminum tube is protected with a weather-resistant textured powdercoat finish providing years of service. The precision vandal-resistant, UV-stabilized polycarbonate optical lens produces photometric output and protects the internal components. Multiple light outputs are available from 10 to 28 watt EasyLED Arrays and choice of three color temperatures (3000K, 4000K and 5000K) that produces up to 2,950 delivered lumens. Easily replaces 70-100 Watt legacy HID systems with an energy savings of 80% or more.

CONSTRUCTION

Die-cast aluminum fixture with extruded aluminum tube

Internal die cast aluminum heat sink

Stainless steel hardware

Type III, IV, and V polycarbonate sealed IP66 Lens

EFFICACY

Up to 105 lumens per watt

Excellent thermal management for LED longevity

80% energy savings over traditional metal halide

DRIVER

1-10V Dimmable Driver

120-277V, 50/60Hz

2kV Surge Protection Standard

APPLICATIONS

Parking Areas

Walkways

Parks

Plazas

Landscaping

EXTRAS

BREBASE Bollard Retrofit Base (see reverse)

Catalog Number: WMB12QF1X28U*KC◇; *3K, 4K, 5K; ◇Color

Available Q4 2021

Preliminary, specifications subject to change. Refer to published specification sheet for most current information.

(Base Plate)

(Cover with Bollard Anchorage)

BREBASE*

- Install new bollards to most existing bolt patterns
- No need to remove existing bolts
- Provides a clean finished appearance
- Hides ugly remnants of previous installation
- Fits most 3-bolt or 4-bolt patterns
- Fits all round and square QSSI bollards
- Heavy-duty die cast aluminum with durable powdercoat finish
- Includes two leveling bubbles and four Stainless Steel leveling bolts
- Fits most existing bolt circles from 3.5" to 5", also accommodates field installed drilled anchors
- Available in Bronze, Black and custom colors
